

Rapid City Area Chamber of Commerce

Here is how it works:

A variety of member businesses choose to make a discount available to Chamber members. ONLY THOSE MEMBERS ON THE CURRENT LIST may participate in the program.

This program is designed to encourage people to do business with other Chamber members. The Gold Card Program helps give the businesses offering a discount increased exposure. People who want to use the discount must be an employee of an ACTIVE Chamber member.

Gold Card Discount Program

We ask that you:

Carry your card with you and present it in advance when asking for a discount.
Present your card only to these select Chamber members.
Remember to thank the business offering a member discount for being a Chamber member.
