## 2019 GOLD CARDS

Call 343.1744 to reserve yours now!

Downloadable Version: <http://www.rapidcitychamber.com/membership/member-to-member-discount>

### Here is how it works:

A variety of member businesses choose to make a discount available to Chamber members. ONLY THOSE MEMBERS ON THE CURRENT LIST may participate in the program.

This program is designed to encourage people to do business with other Chamber members. The Gold Card Program helps give the businesses offering a discount increased exposure. People who want to use the discount must be an employee of an ACTIVE Chamber member.

### We ask that you:

Carry your card with you and present it in advance when asking for a discount.  
Present your card only to these select Chamber members.  
Remember to thank the business offering a member discount for being a Chamber member.
