

Rapid City Area Chamber of Commerce

Here is How it Works...

- A variety of member businesses choose to make a discount available to Chamber members.
- **ONLY THOSE MEMBERS ON THE CURRENT LIST** participate in the program.
- This program is designed to encourage people to do business with other Chamber members
- The Gold Card Program helps give the businesses offering a discount increased exposure.
- People who want to use the discount must be an employee of an **ACTIVE** Chamber member.

We Ask That You...

- Please carry your card with you and present it in advance when asking for a discount.
- Please present your card only to these select Chamber members.
(Remember — only these select members offer a discount.)
- Please remember to thank the business for offering a member discount and for being a Chamber Member.
